

Smith Stearns students **Mary Wright, Jackie Carr, and Katelyn Jackson** travelled back home to Arkansas to compete in the **Arkansas Junior Qualifier** that was held in Little Rock from May 25th - 28th. They surely didn't take their trip lightly as **Mary Wright** won the girls 18 and under championship and **Jackie Carr** won the girls 16 and under championship defeating **Katelyn Jackson** in the finals. **Carr and Jackson** also teamed up to take home the girls 16's doubles title.

Congrats girls for an amazing tournament!
