

Hayley Carter won the Dunlop Junior Championships this past weekend beating fellow academy student Mariana Gould in a hard fought battle in the final match. Carter won by a score of 6-7 (4), 6-2, 1-0 (5) earning herself a wildcard into the qualifying rounds of the WTA tour event, the Family Circle Cup, which will be held on Daniel Island, South Carolina from March 31st - April 1st, 2012.

Mariana Gould also had an excellent tournament in which she beat two top nationally ranked players, Sydney Campbell and Taylor Davidson, both of whom are rated as blue chip recruits by the Tennis Recruiting website.

Many other Smith Stearns students competed in the tournament in the girls 18 and under division as well as other age groups, however due to rain on Sunday the rest of the divisions were cancelled.
