

March has been one busy month with our students playing in a lot of tournaments and having some fantastic results! We had students play the Norcross and Macon Bullfrog, the Blue Gray Junior Championships, the Lexington County Championships, the Greensboro March Madness, the Topspin Championships, the USTA Spring Nationals, the Aquafina Championships, the Family Circle Cup, and other tournaments in each students USTA Section.

Robert Loeb played some great tennis in March and definitely earned the title of “student of the month” as he won three titles including the boys 16’s doubles title at the Norcross Bullfrog and the singles and doubles title at the boys 16’s Topspin Championship with fellow academy student Alexander Jones.

The Topspin Championships (southern level 3) was a great tournament for a lot of our students with almost 20 of our students participating in the event. Alex Jones won the doubles title with Robert Loeb. Kyle Barr made it to the finals of singles and doubles in the boys 16’s. Cameron Kriscunas was a doubles finalist in the girls 16’s as well as Grace Kennedy in the girls 12’s. A lot of other students placed in their respective age groups.

Hayley Carter participated in the WTA tour’s Family Circle Cup in Charleston after earning a wildcard. She fell 6-4,6-1 in a well played match to world #132 ranked Michelle Larcher De Brito of Portugal.

For a complete list of March highlights see the results below:

Bullfrog Designated - Norcross, Georgia - March 1-4
